

## MEDIA ADVISORY

### ANDREW JACKSON'S HERMITAGE CANCELS SPRING OUTING FUNDRAISER

*The event, which was slated for May 13, 2020, will not be rescheduled this calendar year.*

**WHAT:** The Andrew Jackson Foundation canceled its annual Spring Outing, one of its proudest traditions, which has helped raise funds for preservation projects at Andrew Jackson's Hermitage for 120 years. The organization arrived at this difficult decision out of concern for event guests, vendors and staff. The event will not be rescheduled at a later date; instead, the Spring Outing 2020 co-chairs have agreed to chair next year's event, which will take place on Tuesday, May 18, 2021.

The Spring Outing is one of two annual fundraisers that support the preservation and education efforts at Andrew Jackson's Hermitage. This fundraiser typically provides critical revenue for the site's operation, so The Hermitage invites those who may have attended the event to consider making a donation instead. Those able to support The Hermitage may do so through The Hermitage's website: [thehermitage.com](http://thehermitage.com).

**WHEN:** The 2020 Spring Outing, which was set to take place on May 13, 2020, has been canceled.

The Hermitage looks forward to welcoming guests back for next year's Spring Outing on May 18, 2021.
